

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

BRANCH BANKING AND TRUST CO.,

Plaintiff,

vs.

PEBBLE CREEK PLAZA PAD, LLC, *et al.*,

Defendants.

Case No. 2:12-cv-01736-LRH-CWH

ORDER

On March 31, 2015, the Court directed Plaintiff to submit the complete schedule of assets directly to this Court's chambers for in camera review, so it can determine whether the loan at issue was actually assigned to Plaintiff in 2009. See Doc. # 86. The Court also directed Plaintiff to submit any other related documents that would assist in this Court's determination. Id. On April 10, 2015, Plaintiff submitted its response to this Court's order, claiming it refrained from submitting the complete schedule of assets because that document is over two hundred pages long.

Following a review of Plaintiff's submission, the Court finds that the sole redacted page purportedly from the schedule of assets is sorely inadequate for this Court's purposes, rendering this Court unable to determine whether the subject loan was actually assigned to Plaintiff in 2009. The Court will provide Plaintiff another opportunity to follow this Court's instructions and submit what was previously ordered by this Court.

Accordingly, **IT IS HEREBY ORDERED** that Plaintiff shall submit the complete and unredacted schedule of assets directly to this Court's chambers for in camera review **no later than April 15, 2015**. Plaintiff shall submit other related documents, including a report summarizing the

1 information presented, to assist the Court in identifying whether the subject loan was assigned.
2 Plaintiff shall submit this information in a binder, complete with tabs and a table of contents.

3 **IT IS FURTHER ORDERED** that following review of this information, the Court will issue
4 a written ruling in due course.

5 DATED: April 10, 2015
